FIRST ANNOUNCEMENT and CALL FOR PAPERS

The 48th International October Conference on Mining and Metallurgy, organized annually, aims at providing a forum for presentation and discussion of scientific research, technological development and practice on the subjects of geology, mining, metallurgy, materials science, technology, environmental protection and the related engineering topics.

TOPICS

The Conference topics will cover the following fields: geology, underground mining, surface mining, mineral processing, extractive metallurgy, metal processing, materials science, inorganic technology, environmental engineering, industrial engineering, recycling technologies, energetics, manufacturing technologies, quality management, software engineering applications, mechatronics, machining, design and construction, and other related fields.

PUBLISHING

The Conference Proceedings will only include the papers accepted by the Scientific Committee. The papers should be written in English and in accordance with the instructions available on the Conference website (www.ioc.tfbor.bg.ac.rs).

Selected papers presented at the Conference can be submitted in an extended form as full-length research papers in *Journal of Mining and Metallurgy*, Section A: Mining and Section B: Metallurgy, Rudarski radovi, Bakar, Metallurgical & Materials Engineering (ex *MJoM - Metalurgija*) and *Livarstvo* (*Foundry*) after reviewing and the appropriate revisions.

DEADLINES

The authors are kindly invited to submit their papers for the 48th IOC according to the following deadlines:

15 May 2016 – registration and abstract submission

15 June 2016 – full - length paper submission

(up to 4 pages, including figures and tables)

15 July 2016 – notification of acceptance

30 July 2016 – hotel reservation deadline

30 July 2016 – conference fee payment deadline

15 September 2016 – final announcement and program

EXHIBITION

An exhibition will be held during the Conference, which will be a good opportunity for the companies operating in the fields related to the Conference topics, to introduce their products and services to the wider public. It will be open throughout the Conference. Details will be sent to the companies interested in participation.

DONATING

The individuals, corporations and foundations may support the 48th IOC by making appropriate financial donations. In return, their work and activities will be promoted free of charge on the Conference website and in the Proceedings Book.
