**This year's Conference is dedicated to the memory
of professor Dragana Živković,
who passed away on 26 November 2016.**

FIRST ANNOUNCEMENT and CALL FOR PAPERS

INFO

The Technical Faculty in Bor, University of Belgrade, in collaboration with the Mining and Metallurgy Institute in Bor, is pleased to invite you to the 49th International October Conference on Mining and Metallurgy to be held in Bor, Serbia, October 18-21.

Initially organized as a national conference in 2002 it became international. The main aims of the conference is to provide a forum for presentations and discussions of scientific research findings, technological development and practises on the subject of geology, mining, metallurgy, materials science, technology, environmental protection as well as the related engineering topics.

TOPICS

The Conference topics will cover the following fields: geology, underground mining, surface mining, mineral processing, extractive metallurgy, metal processing, materials science, inorganic technology, environmental engineering, industrial engineering, recycling technologies, energetics, manufacturing technologies, quality management, software engineering applications, mechatronics, machining, design and construction, and other related fields.

DEADLINES

The authors are kindly invited to submit their papers for the 49th IOC according to the following deadlines:

15 April 2017 – registration and abstract submission

15 May 2017 – full - length paper submission
(up to 4 pages, including figures and tables)

15 June 2017 – notification of acceptance

30 July 2017 – hotel reservation deadline

30 July 2017 – conference fee payment deadline

30 September 2017 – final announcement and program

DONATING and EXHIBITION

The individuals, corporations and foundations may support the 49th IOC by making appropriate financial donations. In return, their work and activities will be promoted free of charge on the Conference website and in the Proceedings Book.

An exhibition will be held during the Conference, which will be a good opportunity for the companies operating in the fields related to the Conference topics, to introduce their products and services to the wider public.
